What is the difference between school and Life? In school, you're taught a lesson and then given a test. In life, you're given a test that teaches you a lesson. Tom Bodett

It was a GREAT year at Holy Trinity School! A lot of learning and lasting memories have occurred this past year. I would like to thank the entire Holy Trinity Family for a successful school year. I would also like to thank Father Ken, Father O'Leary, Joe Burkot, parish staff, PTG, Athletic Association, Communication Committee, Fine Arts Committee, coaches and all volunteers who have supported our school. A special thanks to the teachers, aides, office staff, cafeteria staff, support teachers, Chuck, parents, grandparents, and especially the students for all that you do to make Holy Trinity School such an outstanding place to learn and grow! Have a blessed and safe summer! **See you on August 26th.**

The positive results confirm the excellent combination of teachers and curriculum.

Talented Students at HTS: The recent productions of High School Musical and the Spring Program have really shown just how talented our students are. I have received many wonderful compliments on the performances. Thank you to Mr. Moser and Mrs. Catanzarite for your work on the musical and Mr. Timcheck for producing the Spring Program. It is because of your love of the fine arts and music that productions and programs such as these are possible. Thank you also for inspiring our children they are blessed to have you in their lives.

Car Raffle Lawn Barbeque: All families who sold at least one car raffle ticket are invited to attend the lawn barbeque on Wednesday June 9th. If you have sold any tickets please turn in your money. The car raffle is going extremely well. Remember for every ten tickets you sell you will be entered into a drawing for a \$3000 tuition award which will be drawn after the 12:00pm mass on August 1st. It is very important that we keep selling the tickets. Our goal is to eliminate a number of fundraisers the school offers for the 2010-2011 school year. This goal is a very obtainable if the car raffle is successful. Many tickets are sold at the outdoor ticket booth each day. Unfortunately we are need of volunteers to man the booth. I ask for your cooperation in making this fundraiser a HUGE success.

10k and 5K Race for Catholic Education: Amy Skukalek is organizing this new and exciting event. The races will take place at Youthtown on July 17, 2010. Additional information will be sent home next week.

Book Share: I would like to send a huge thanks to Mrs. Palamides for organizing the Book Share. The children really enjoyed shopping. The profit was about \$300.00. We are going to do the Book Share again next year.
