

# MINUTES

HTSAA 12/9/18

---

---

## Topics Completed

---

Finance-no report

Basketball-all grades/levels are practicing and playing with no issues

Gym-new scoreboard is installed and functional (thanks to Bill Leininger and Rich Murray)...ball bins built

Gym-microphone frequency updated

---

## Discussions to be Addressed

---

Gym storage room light has been installed and needs connected.

Discussion to move score table to stage or leave on floor.....stage curtains should be closed during games

Post old scoreboard to inter-school principal page to donate to another school/facility

---

## Sports News

---

Boys Volleyball is getting a positive interest and OLSH coaches have agreed to assist in the start of the Holy Trinity team with some coaching/open gyms etc.

Gym Manual needs updated with new scoreboard instructions

---

## CPR/AED

---

CPR/AED class was completed and successful. If we have continued interest we can have another class in the spring to offer to parents/coaches for AED/CPR.

---

## Gym Passes

---

Discussed selling "gym passes" to families that have multiple children playing on teams to pay a one-time fee to get into the gym for games instead of each game. Still thinking about logistics of pass....who it covers/family members/cost etc. Will continue to discuss and perhaps try to implement at the start of next year or halfway into this season.
