

2018 Holy Trinity Festival Community Wall Contributor Form

If a sponsorship or advertisement is not right for your organization at this time, perhaps you have interest in taking part in our Community Wall. This will be displayed in a prominent location at the Festival.

Paper "bricks" of various sizes can be purchased and labeled with an individual, family or organization name.

This will be a physical manifestation of the significant role the Holy Trinity Festival plays in bringing the community together: individuals, families, neighbors, businesses and organizations coming together to support one another. Our wall will give name to our community members and be a reminder that communities are built by individuals – each of whom belong and matter in a strong community.

We are interested in helping to build the Community Wall while supporting the 2018 Holy Trinity Festival. We have checked one of the following brick sizes and will submit payment by **June 30, 2018** to:

Holy Trinity Catholic School - Festival Sponsorship, 5720 Steubenville Pike, McKees Rocks, PA 15136-1311
