

# Penny War Holy Trinity Catholic School

January 29th – February 1st

**Goal of the Game** – to collect the most pennies

**How to Play the Game:**

Each classroom will have a container to collect money. In the morning the students will place their bags, handfuls, or jars of pennies into their classroom container. The teacher will then place the container in the hallway. During the homerooms' assigned time the students will have the opportunity to bomb the other homerooms with silver coins and dollar bills. The amount of silver/ dollars dropped into the container is subtracted from the penny total in the jar. Each day silver/ dollars and pennies are totaled for each classroom.

The next day during morning announcements the top 3 classrooms will be announced. Students can then plan their strategy for the following day helping their classroom move into the lead.

**So bring in your pennies and get ready for some fun! All proceeds will be sent to the Chimbote Mission in Peru.**

We will be selling pennies in the morning in the cafeteria and outside of the office.

## **Prize**

The first and second place teams will receive a fruit snack treat.

**If you are interested in helping with the Penny War and earning volunteer hours, please contact the school office at 412-787-2656. We will need about 4 volunteers on each of the 4 days to count the money. We have a money counter machine.**
