We are selling the remaining dress down days that were for sale originally at the auction. This symbol means the dress down day is already purchased. If the box is blank that means the dress down day is available for purchase. If you purchase a dress down day the entire class gets to dress down. To buy a dress down day send a check or cash to school with the class you would like to purchase the dress down day for clearly marked. Send it to Sarah Smith c/o Alex 4A. Dress down days are \$50 each. You do not get fundraising credit for dress down days purchased after the auction. If you have any questions please email Sarah Smith at sarahmarshallsmith@hotmail.com. Please purchase a week in advance so that we can notify the class in a timely manner.
