

Cafeteria Updates:

Thank you all for a great start to the 2017/2018 School Year – the new changes have been very well received!! The K12Payment center is being used by multiple families for the easy online payment options. **Please remember that K12 Payment center is the only location to view balances – Option C will no longer house balance amounts (balances were transferred from Option C to K12 Payment Center at the beginning of the school year). The breadsticks are back and the kids are VERY happy to enjoy them for lunch again. Another new addition is the “Gatorade” Cooler – this has been very exciting for the students and they are enjoying the beverage choices and have requested a few other flavors as well. I am adding a smaller Gatorade size in addition to the 20oz bottle size as it may be too big for some students. Also – we will be serving yogurt w/granola for \$1.25. Again – please be sure you discuss ordering options with your child!

Thanks again! If you have any questions please do not hesitate to contact me – Char Osso
