

Educational Opportunities • Innovative Solutions • Leadership Excellence

Dear Parents/Guardians,

My name is Mr. Jeff London. I am the school counselor from the Allegheny Intermediate Unit Non-Public Schools Program servicing Holy Trinity School.

My job is to advocate for all students by offering services to achieve optimal academic, personal/emotional, and career development. I will do this through individual counseling, small group counseling, and classroom guidance lessons. In addition, I can provide consultation and support to parents and teachers. I will work to help your child remove any barriers that stand between him/her and a successful school year.

A teacher, parent or the student themselves may refer your child to school counseling. School counseling services are for a variety of reasons such as stress at school, anxiety, changes in behavior, changes in environment, grief, underachievement, etc. Individual and group counseling services require parental consent. Please keep in mind that school counseling is NOT therapy, it is a support provided to your child to help remove learning barriers and promote a successful school year.

In addition, I will be providing classroom guidance to teach students the skills needed to succeed in school. Classroom guidance topics include activities in the Personal, Academic and Career domains.

Please visit my website at www.schoolcounselingrc.net.

Please feel free to contact me with any questions or concerns. I will be at Holy Trinity School every Wednesday.

Sincerely,

Mr. Jeff London
School Counselor
